A Cultural History of the Avant-Garde in the Nordic Countries 1900-1925

Hubert van den Berg 2012 A Cultural History of the Avant-Garde in the Nordic Countries 1900-1925 is the first publication to deal with the avant-garde in the Nordic countries at the start of the twentieth century. The essays cover a wide range of avant-garde manifestations in arts and culture: literature, the visual arts, painting as well as photography, architecture and design, film, radio, and performing arts (like music, theatre and dance). It is the first major historical work to consider the Nordic avant-garde in a transnational perspective which includes all the arts and to discuss the role of the avant-garde not only in aesthetic terms but also in its political and social implications.
